

Parka & Duffel Bag Order Form

This is a once a year opportunity to order the **Blast** parka and duffel bag for the year. Orders will not be accepted later than the due date to insure delivery by Christmas. The parkas and duffel design will be the same as last year for a consistent team look.

Blast Parka – The hooded navy blue parka has a white bodice with gray and white stripes on the sleeves. “BLAST Swimming” is in navy lettering on the back and the swimmer’s name is embroidered on the front. They are fully lined with navy polar-tech fleece. These parkas are very durable, so you may want to order a size larger than usual. The longer length will help keep your growing swimmer warm.

Blast Duffel – (one size) Sturdy blue bags with gray “BLAST” lettering and monogrammed with the swimmer’s name. * This is not the same bag as the SPEEDO backpack.
